

The Ivy Edge Research Program: Fees

We offer a variety of **one-on-one Mentored Research Programs** that can be bundled based on your needs and goals. All one-on-one programs are backed by our **Mentor Match Guarantee**.

Core Program

In the Core program, you'll pursue a research project in your chosen subject with a mentor who shares your passion. You'll receive up to two rounds of writing feedback, access to our Showcasing Opportunity database, the chance to apply for the Symposium, and the option to request a mentor recommendation letter.

Number of 1-Hour Mentor Sessions: 10

Suggested Timeline: 3-6 months

Program Outcome:
Students choose their own goals— many write academic research papers, while others create web-sites, apps, or video essays.

Core Research Program
\$4,000 USD

Launchpad Program

Launchpad is a program designed for students who are unsure of what topic to research. It includes three sessions with mentors in diverse but related fields to help brainstorm project ideas, gain clarity, narrow interests, and identify a research topic that is personally meaningful for the student.

Number of 1-Hour Mentor Sessions: 3

Suggested Timeline:
2-4 weeks prior to beginning Core

Program Outcome:
A better understanding of each of the potential subject areas, as well as a clear research topic to pursue.

Available bundled w/ Core
\$700 USD

Showcasing Support

Showcasing Support offers one-on-one guidance for students pursuing competitive opportunities like peer-reviewed journals, competitions, or media projects. Choose up to four tracks: publishing, competing, multimedia, or presenting. A specialist helps navigate submissions, publication isn't guaranteed.

Number of 1-Hour Mentor Sessions: 3 per track

Suggested Timeline: 2 months; can begin towards end of Core

Program Outcome:
Completed submission for a publication, competition or media outlet of the student's choice.
